

ADJUSTABLE-HEIGHT STEEL AV CART - PULLOUT KEYBOARD TRAY

SEAVJ42KB

Display, transport and operate your equipment easily with this popular Luxor multi-use cart. The height-adjustable cart adapts to various users or applications; the pullout keyboard shelf aids laptop or computer use while tucking neatly away for storage and transit. A retaining lip on all three shelves and an anti-slip pad on the top shelf secures projectors, laptops and other presentation equipment during transport. With ample shelf space and durable steel construction, this USA-made cart can operate as a computer workstation, AV or IT cart, mobile storage unit or presentation station.
